Dear Ms. Sawari,

Thank you so much for the nice Christmas card. I'm sending you a card that I ordered and didn't get until after Christmas because the mailroom are kind of slow because of the virus.

I support your efforts on the RIGHT2VOTE. It would make prisoners more responsible and feel like they are part of a country they often feel alienated from. Any way I can help, please let me know.

I am in for Medea II and have been incarcerated for forty three years in August. My parole board hearing is in seven months. Best wishes and thanks so much for the newsletter.

Respectfully,
Rodney K. Clemshaw #287392
